

Jay Shree Tea & Industries Ltd.

Marionbarie

“ The Garden planted in the year 1901 and situated in the foothills of Darjeeling at an altitude of 900 ft. above sea level. The Tea Estate produces fine quality of C.T.C teas which has a combination of fine aroma and good strength. ”

## Short story of our garden

The Garden was acquired by Jay Shree Tea & Industries Ltd. in April, 2006. The Basic Irrigation infrastructure has been built and Factory is upgraded, and increased quantity of tea made with quality.

## Special Features

The Garden is situated very close to Mahananda wild-life sanctuary and wild animals such as Elephant, Leopard, Deer, Peacock, Wild Boar, Pythons, etc. are frequently seen in and around the plantation area. The Workers are educated to respect the ecology and the wildlife by the Management by doing seminars.
