Nahorhabi

“ We are very Co-operative with the neighboring people, by supporting the construction of Namghar, Temple as well as cultural programmes and other welfare activities. ”

## Short story of our garden

Nahorhabi Tea Estate was purchased in the year 1951 from M/s Octovious Steel Company and the area under tea at that time was only 227.77 Hect. And in the year 1954 one division named by Rajabari was purchased with an area of 111.11 Hect. only. At present total area under tea is 696.37 Hect.

The Tea Estate is situated in Sivasagar District where there is a Famous SHIVA TEMPLE and pilgrims from all over India comes to this secret place.

The Tea Estate is adjacent to Nagaland and one side of the garden is covered by dense forest which maintain eco-system.

## Features

“NAHORHABI” got its name from “Nahor” trees, because once this area had beautiful forest of Nahor trees. Nahor bears sparkling red tender leaves during spring and it gives majestic look.

This is the first tea estate in North India to receive ISO 9002 certificate for growing, processing and marketing of Orthodox and CTC tea and probably the first in the world as far as processing of Orthodox tea is concerned.

The estate employs 1514 permanent workers, while in the harvesting season additional casual workers are employed. No child labor is employed on the garden. Excellent educational facilities are provided to children.

For the spiritual upliftment of its employees, a temple has been built by the company.
